

“Medi-Call” also presented at Ministry of Health, Indonesia

In an official presentation of the GALESS TiltShift Medi-Call research-book on October 4, 2022, the minister of Health of the Republic of Indonesia, Mr. Budi Gunadi Sadikin, received the book from the hands of the Director of CYS, Mrs. Monika Raharti. Mrs. Raharti represents research-initiatives from students and student-teams of several Indonesian schools, coordinated by CYS (Center of Young Scientists) in Jakarta and Bali.
